# AQUA ZERO EDGE

**Bring exotic edge  
detailing to more  
projects than ever  
before**

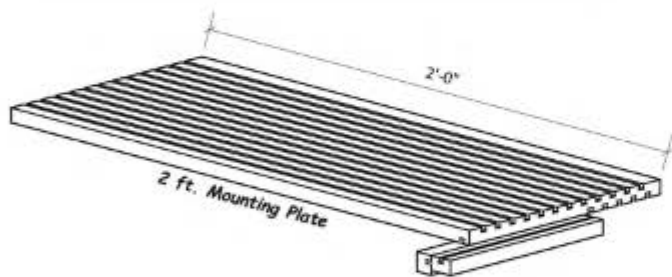

A new method of installation is here. Just two simple pieces and the Aqua Zero Edge System goes from concrete shell to coping. Great American proudly introduces this innovative edge detail for projects of all types.

# HANDMADE IN THE USA!

## Mounting Plate

- Standard and custom units handmade in the USA for the highest quality performance.
- Fabricated from materials easily modified on site, adaptability to specific project needs, and the simplest of methods for consistency of install.
- Standard 2 ft units for both geometric installs and some freeform installs, the system can be custom fabricated to individual projects as well.
- We welcome the challenge of all watershapes, so please feel free to contact us with the designs you want to bring to life.

## Trough Dam

## Anchor Pins
